- **Databases:** MS SQL Server, MySQL, MongoDB
- **Cloud & DevOps:** Azure, AWS (Lambda, S3, SQS), CI/CD, Azure DevOps, Git, GitHub, Bitbucket
- **Architecture:** Microservices, API Integrations, Secure Development (OWASP, OAuth2, JWT)
- **Analytics & Reporting:** SSRS, Crystal Reports, Power BI
- **Methodologies:** Agile/Scrum, Waterfall

PROFESSIONAL EXPERIENCE

Staff Software Engineer | Qualifacts (IHCS Technologies Pvt. Ltd.) | Aug 2024 – Present

- Engineered and enhanced **web-based EHR systems** with focus on scalability and HIPAA compliance.
- Designed secure workflows and optimized database structures handling **large-scale healthcare data**.
- Implemented cloud-based microservices (AWS Lambda, S3, SQS) improving system performance.
- Actively contributed to **Agile ceremonies** and following best coding practices.

DotNet Team Lead | RIPL Technologies (Rangam Infotech Pvt. Ltd.) | Jul 2019 – Jul 2024

- Led a **10-member team** delivering ERP/CRM modules for US clients, ensuring **on-time releases**.
- Architected secure HR, Payroll & Compliance workflows, reducing manual efforts by **40%**.
- Mentored developers, improving team productivity and code quality.

I.T. Analyst (.NET Developer) | Tata Consultancy Services | Nov 2018 – Jun

- Developed modules in C#, MVC, SQL, and SSRS Reports.
- Gained exposure to **SharePoint & Dynamics CRM 365**.

Senior .Net Developer | Stemmons Business Services | Feb 2017 – Nov 2018

- Built ERP/CRM solutions for Real Estate, Oil & Gas, and IT industries.
- Automated workflows and reporting, reducing client turnaround time by **25%**.

Software Developer | Vagisa Technology | Jul 2013 – Jan 2017

- Developed **web & desktop applications** using ASP.NET and SQL.

- Designed databases and custom reports tailored to client needs.

KEY PROJECTS

- **Credible Healthcare Product (Qualifacts)** – Healthcare EHR & Practice Management
 - Enhanced modules for patient management, scheduling, and billing.
 - Integrated third-party APIs for insurance & claims processing.
 - Improved system scalability with cloud-first microservices design.
- **Applicant Tracking System (SourcePros)** – Staffing & Recruitment Platform
 - Led 10-member team building ATS modules (Candidates, Compliance, HR, Payroll).
 - Integrated job boards & APIs, reducing recruiter workload by 35%.
 - Designed REST APIs, enabling seamless multi-country operations.
- **Stemmons Central (ERP/CRM)** – Multi-industry Platform
 - Customized ERP/CRM modules across diverse industries.
 - Implemented case management & workflow automation.
 - Designed SSRS reports enabling data-driven decision making.
- **Project: Integrations & Implementations**
 - Integrated **Monster, CareerBuilder, and FieldGlass** with ATS to streamline job postings and client job imports.
 - Enabled **Plivo SMS API** for two-way candidate communication (US & India).
 - Automated resume extraction and profile creation using **RChilli Parsing service**.
 - Integrated **Geolocation API** to track equipment in real time on maps.

PROFESSIONAL DEVELOPMENT

- Completed LinkedIn Learning courses in AWS Cloud, .Net Core, Microservices, and Secure Application Development
- Actively preparing for AWS Fundamental/AWS Certified Developer
- Ongoing self-study in Domain-Driven Design (DDD), Event-Driven Architecture

AWARDS & RECOGNITION

- **Quarter of Play Award** – Recognized for exceptional performance and project delivery excellence.
- **Employee of the Month** – Awarded for outstanding dedication and delivering measurable business value.
- **Coaching Champion Award** – Honored for mentoring and enabling team growth through knowledge sharing.
- **Hidden Gem Award** – Acknowledged for consistent high-quality contributions and behind-the-scenes impact.

GENERAL INFORMATION

- **Education:**
 - **MCA**– Punjab Technical University, 2013
 - **BCA** – Gujarat University, 2011
- **Languages:** English, Gujarati, Hindi
- **Strengths:** Quick Learner, Problem Solving, Team Work, Adaptability.
- **Hobbies:** Reading books & blogs, Listening to Music.
- **Domain Knowledge:** Healthcare IT (EHR/EMR, HIPAA) | Staffing & Recruitment | ERP/CRM | Banking/Finance | Real Estate | Oil & Gas
